

**KF Modified Editor**  
**SUSAN JONES**

**Committee Members:** Not applicable.

**Activities since Conference:** Since assuming responsibility for updating KF Modified earlier this year, three quarterly updates have been issued to subscribers. The fourth quarterly update will be issued in December or early January.

**Ongoing activities/new special projects:** None.

**Any considerations/questions for the executive board:** The board may want to consider updating the position description on the association's website (<https://www.callacbd.ca/Committees>). If helpful, I would suggest replacing the current description with the following:

The KF Modified editor updates *KF Classification Modified for Use in Canadian and Common Law Libraries: KF Modified*. KF Modified is published by, and available for purchase from, CALL/ACBD. For information about this publication, please contact [office@callacbd.ca](mailto:office@callacbd.ca).

The board may also want to consider making corresponding changes about KF Modified on the website's publications page (<https://www.callacbd.ca/Publications>).
