Activities since Conference:

We welcomed a new SIG Co-Chair in June 2023. Fiona Chiu, Courthouse Libraries BC, joined Alan Kilpatrick, Law Society of Saskatchewan, as SIG Co-Chair. Former Co-Chair Tanya Davis, New Brunswick Barristers Society, stepped down after serving the SIG for four years.

We held a virtual meeting on June 22, 2023 where we discussed how the SIG can promote greater communication and cooperation, greater resource sharing, and vision for 2023/2024.

Ongoing activities/new special projects:

Moving forward, our goal for this SIG is to:

- Identify a shared vision among members for the SIG.
- Develop a more robust community among Courthouse and Law Society libraries.
- Refresh the SIG by making it more responsive to the needs of Courthouse and Law Society library workers.

To this end, we will be surveying members of this SIG and arranging a meeting for November 2023.

Any considerations/questions for the executive board:
