

## **PLL-SIG**

**Marnie Bailey, Co-Chair**

**Carolyn Petrie, Co-Chair**

### **Activities since Conference:**

- Held AGM Tuesday June 27
- Requested new co-chair; no interest so both Marnie and Carolyn will stay on
- Planned first meeting of 2023-2024 session; will be held October 25, and is a joint session with the Academic SIG

### **Ongoing activities/new special projects:**

- Will continue to plan for one meeting per quarter
- Will continue to work with other SIGs for joint meetings where appropriate

### **Any considerations/questions for the executive board:**

- We would love to have a PLL-SIG Forum, if possible. I know it was mentioned in the onboarding meeting, and we would like to be added to the list of interested SIGs
